

Paolo Aielli

Born in Rome in 1959, Paolo Aielli received his university degree in Statistical and Economic Sciences in 1982.

From 1982 to 1997 he worked for IRI Group, in both the holding and investee companies, after which he moved to Alcatel Italia, where he was employed until 2006 in various positions, including Executive Committee member and General Manager, before being promoted to Managing Director of the Network and Integrated Systems Division, which operates primarily in the Transport and Security sectors.

In 2007 he was appointed Managing Director of Thales Italia and went on to become Thales Group Vice President and Managing Director in the Critical Infrastructures Protection Business Line.

In July 2010 he was appointed Managing Director of Elsag Datamat spa.
